**TOPICS:**  
**POSSIBLE VENUE CHANGE FOR BRACE BEEMER FREE FALL?**

I'm totally stoked about Brace's plan for a FREE FALL from the THREE GOSSIPS, but am wondering if you might re-consider the jump venue. I don't believe there is ANY cell phone coverage at the GOSSIPS and am hoping you might use TURRET ARCH instead???. Clear line of sight to the cell towers, which will allow us to send images almost instantaneously! Hope you will give it some thought. Otherwise...TOTALLY COOL.

**GREAT STORY IN AUG/SEP ZEPHYR**  
There is an excellent article in the current issue of the online ZEPHYR by Scott Thompson: "SUPERSTITION LAND...A Fable of Boundless Water."

ONE COMMENT:  
Bummer story...only read first paragraph. Too negative...Hey I heard there is a party at Frankie's on Friday...anybody know what time?

## THE WHINING WALL

**CANDY:** ooh, I spent too much time on the river today topless and now I have an awful burn...I hope I don't peel...

4349 friends have offered to apply aloe vera lotion on Candy's back

CANDY says she likes this!

**MARY MacPHEE:** I took the quiz, "If I were a Presidential assassin, which assassin would I be?" I found out I would be **Lee Harvey Oswald**, and that makes sense because I LUV that movie, "Milk" about the gay guy **HARVEY Milk** and I am soooooo in support of Gay Rights...also I love **OSWALD THE RABBIT**... SOOOO FUNNY.

**MYRTLE DOGOOD:** My tummy hurts.

**MARGEIE:** Mine too! Wow. We are so connected

**BRACE BEEMER:** The banality of all this has led me to a momentous decision. On September 27, 2009, I am going to take a **nose dive** off the Three Gossips at Arches NP and end this madness once and for all.
