

# “FIRST TIME...”

Herb Ringer's father, JOSEPH RINGER, offers this fascinating 'List of Firsts' in his son's life

When Herb gave his father a journal for Christmas in 1944, JOSEPH RINGER put it to good use. In addition to his remarkable commentary that spanned the years 1944 to 1963, he liked to make lists. This is one of my favorites...Herb's "Firsts." ---JS

“Jim Stiles holds up a mirror to those of us living in the American West, exposing issues we may not want to face. We are all complicit in the shadow side of growth. His words are born not so much out of anger but a broken heart. He says he writes elegies for the landscape he loves, that he is “hopelessly clinging to the past.” I would call Stiles a writer from the future. *Brave New West* is a book of import because of what it chooses to expose.”

From Renny Russell,  
the author of...

“Renny Russell’s *Rock Me on the Water* is at its heart courageous. To return to the same power of nature that took his brother thirty years previous—to be with it, to confront it, to take solace in it, and to be inspired and healed by it—is remarkable in itself. His book is, as well, a testament to the evocative rhythms of the wilds. In this complicated dance, this profoundly personal journey, Renny Russell also gives us an amazingly spirited tour of one of the truly great landscapes of the American West and a keen understanding of its power to shape a life.”
