Photographing the World: A Guide to Photographing 201 of the Most Beautiful Places on Earth

A highly inspirational guide to 201 of the world's most majestic landscapes. Famous world locations, as well as many lesser-known photogenic spots, with first-hand information about how, when, and where to photograph them. A wonderful reservoir of ideas for your future travel adventures. Chock-full of insightful first-hand accounts by renowned photographer Tom Till. Photographing the World is a must-have resource to expand your travel horizons and image portfolio beyond the United States.

It will take you on a highly-inspirational journey of discovery to all five continents, exploring some of the world's most beautiful mountains, deserts, lakes, rivers, coastlines, wetlands, forests, archeological sites, cityscapes, and tourist attractions. Photographing the World is the culmination of Master Photographer Tom Till's twenty-five+ years of exploring and
