

THE EVOLUTION OF 'THE LAME ALIEN SWIMSUIT'

via the wit and wizardry of DAN O'CONNOR...

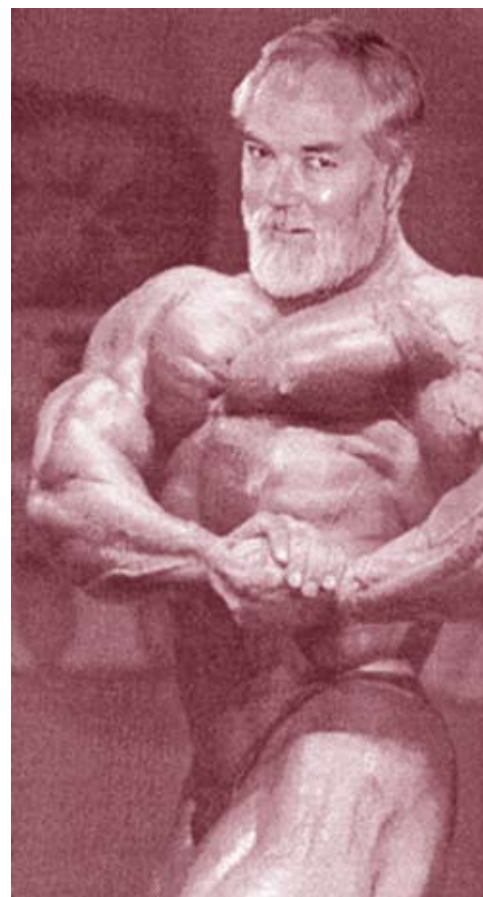

Our first attempt at semi-nude behavior featured a man who knows the subject.

President Clinton showed us what he had but it was Hillary that caught us by surprise. **FETCHING!**

Staying in the middle and committed to no one was Moab's always entertaining Mayor TOM STOCKS, looking buff in his gladiator outfit.

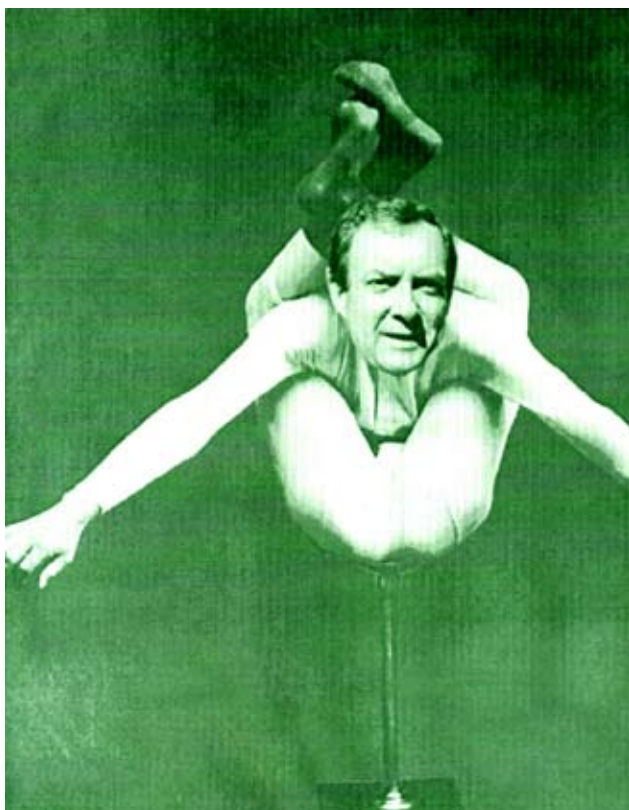

Keep in mind, all these oiled bodies came years before anyone had even heard of Monica Lewinsky.

For those who claim SENATOR ORRIN HATCH talks out of his ass, we offered indisputable proof. This image comes from 1997. A decade and a half later, Utahns still don't care what Orrifice Orrin uses to express himself. He is still our Man in Washington.

Celebrated author and activist TERRY TEMPEST WILLIAMS has always been able to make an audience cry, but the men were REALLY in tears when they saw this updated version of TTW in 1998.

The Zephyr's editor was almost caught with his pants down in this 1999 image. Here he seduces a willing and eager LANA TURNER. Later she was to remark, "Stiles was ok, but he ain't no KEN DAVEY."

Among our celebrity swimsuit 'models,' noted author ROBERT FULGHUM showed us that he learned a lot more in kindergarten than how to eat milk and cookies and flush the toilet. Clearly this guy was spending a lot of time at the gym as well.

In 1999, MONICA finally took center stage. Ironically, she was the one person who remained fully-clothed through the entire alien swimsuit issue...

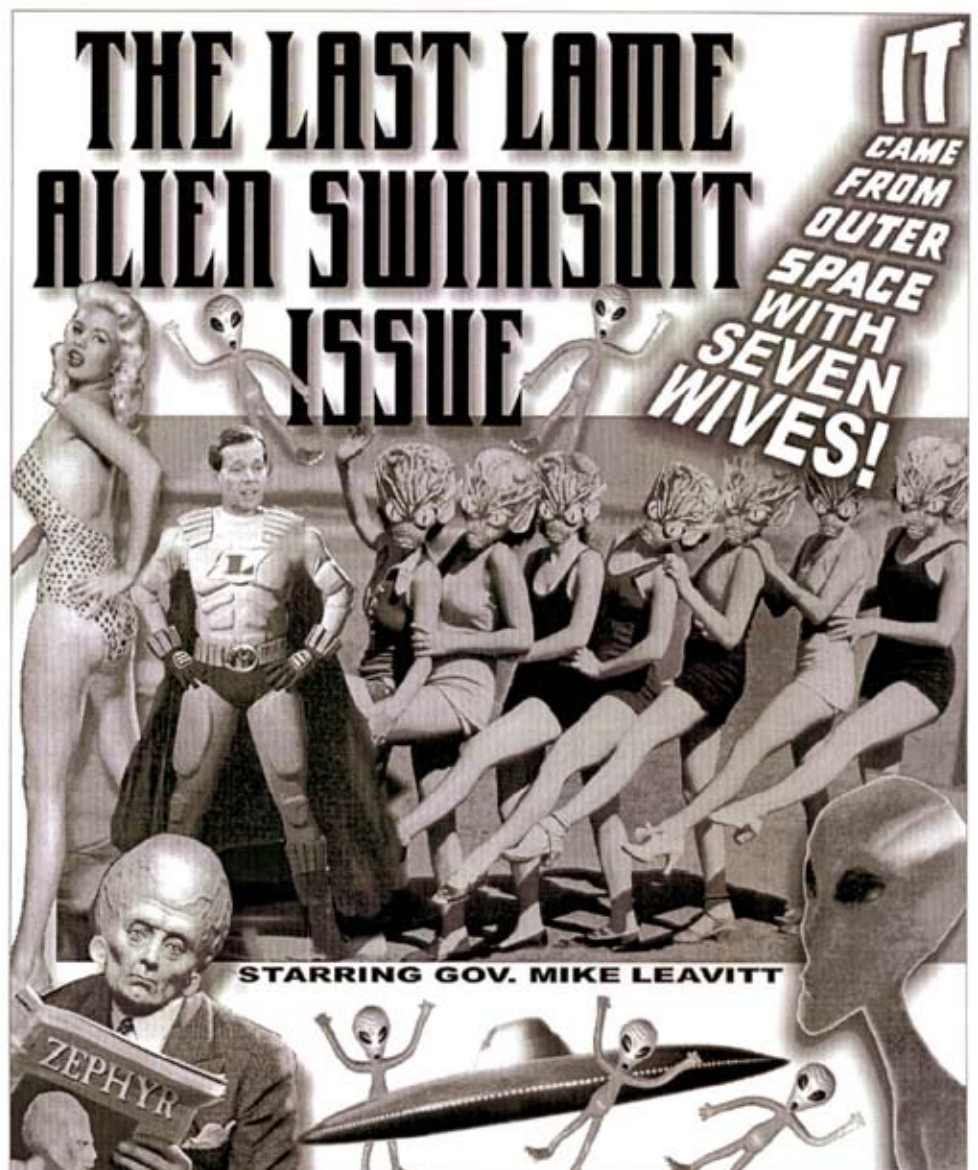

Utah resident and Hollywood legend ROBERT REDFORD appeared on our pages in 1998. While we had hoped he might come to Moab for a real photo-shoot, we were nonetheless relieved that he didn't sue us.

Our hero, the one and only KEN SLEIGHT showed us what he's got in 1997.

With pecs like that, we wondered why he didn't just go down to Glen canyon dam and beat the crap out of it.

He still might.

The cover of the last 'LAME ALIEN SWIMSUIT ISSUE' in 1999...until now.

Speaking of the Devil...KEN DAVEY (the former 'Dean of the Moab Press Corps') shows us his talents are unlimited. here he wows the babes with his surfing skills. In his day, our Mr. Davey was known to the world as 'HANG TEN KEN.' Keep watching for that next big wave, KENNY D.
